WELCOME TO SANDERS THEATRE

Inspired by Christopher Wren's Sheldonian Theatre in Oxford, England, Sanders Theatre is famous for its design and acoustics. A member of the League of Historic American Theatres, the 1,000 seat theatre offers a unique and intimate 180 degree design which provides unusual proximity to the stage. The theatre was designed to function as a major lecture hall and continues to play a significant role in the academic mission of Harvard College, hosting undergraduate courses, many prestigious lectures, and annual commencement and reunion activities. Many of the most venerable academic, political and literary figures of the nineteenth and twentieth century have taken the podium at Sanders Theatre including Winston Churchill, Theodore Roosevelt, and Martin Luther King Jr.

As the largest concert hall on the Harvard campus, Sanders Theatre is presently home to several undergraduate choral and orchestral groups. Within the Cambridge/Boston metropolitan area it serves as a primary venue for many professional and community performance ensembles and producing organizations.

Sanders Theatre, located within Harvard University's Memorial Hall, is managed by the Office for the Arts at Harvard in conjunction with the Department of Physical Resources of the Faculty of Arts and Sciences.

This guide is separated into four sections:

- **Section I** answers general questions about reserving and renting the Theatre and support spaces.
- **Section II** provides information about the physical production of events in Sanders Theatre, and defines the roles of the event producer and Sanders Theatre staff.
- **Section III** outlines information about the Harvard Box Office services and its role in ensuring the success of each event
- The last section is an addendum of resources, including vendor information, parking information and directions. Various forms, seating charts, and other support materials are also included.

The Calendar of Events, general information, photos and many of the necessary forms regarding Sanders Theatre and Memorial Hall may be accessed online: www.fas.harvard.edu/memhall.

The Memorial Hall Administrative Office is open Monday through Friday, 9AM to 5PM; it is closed on University holidays. The offices are located in the lower level of Memorial Hall, room 027. The general information number is 617.496.4595, fax 617.495.2420. Feel free to contact individuals on the staff list with specific questions or to arrange a site visit.

I: RENTING SANDERS THEATRE

RESERVATION PROCEDURES

Use the following guidelines when requesting a date in Sanders Theatre.

SCHEDULING CONSIDERATIONS

During the academic year, Sanders Theatre serves as a classroom until 2:30PM Monday through Friday. This use may impact set up or equipment/instrument storage between proposed rehearsal and performance dates. See the [Production Information](#) section for more details.

Sanders Theatre is a unique venue. There is no wing space, fly space, nor traditional "backstage." Please contact the Production Manager for questions or to schedule a site visit.

RENTAL PARAMETERS

A rental of the Theatre consists of one nine-hour access period, doors open to doors closed. The nine hours may be split between rehearsal and performance, provided appropriate times are available. Please see the [Special Note Regarding Rehearsals](#).

Fees are doubled for events scheduled on legal or University holidays.

The event fee includes concert services (custodial, security and house management) for a four-hour period. Additional services provided are deducted from box office revenue, or invoiced, due and payable immediately.

SCHEDULING TIMELINE

Scheduling of Sanders Theatre begins each fall for the subsequent academic year (September-June). Scheduling priority is given to Harvard student performing groups and Harvard departments. Once University use is determined, the calendar is open to requests from organizations not affiliated with Harvard.

**THE PRODUCER
REQUESTS A
RESERVATION IN
WRITING**

Address requests to the Program Manager, Memorial/Lowell Hall Complex, 45 Quincy Street, Cambridge, MA 02138; fax 617.495.2420. All requests must be in writing. E-mail requests are preferred. memhall@fas.harvard.edu

The request letter should include:

- name and address of the producing organization
- indication if the group is classified as commercial, private, or not-for-profit with 501(c)3 tax status
- name, email address and telephone number of the contact person for the producing organization
- dates/times requested (including adequate set up and break down time)
- proposed performance date(s) and time, including alternates
- details about the nature of the event, including whether a piano is needed, number of performers, technical requirements, expected audience, etc.
- whether the event will be recorded, the type of recording and purpose
- dressing room or hospitality space requests

Be precise about times requested. It should not be assumed that additional hours are available or will be available without charge.

**RECEIPT OF THE
REQUEST**

The Producer will be contacted acknowledging receipt of the request. If possible, information will be included about the availability of the requested date(s).

**CONFIRMATION OF
HOLD LETTER**

The Program Manager will send a confirmation letter indicating the date is being "held." Accompanying materials will include a licensing agreement, Producer's Handbook, Production Details Form, box office forms and other pertinent information.

A "hold" is not guaranteed after 30 days from the date the contract is issued if a 50% deposit is not received.

LOCKING IN A DATE

The producing organization may "lock-in" a "held" date by sending in a 50% deposit (or, if the event is within 30 days, a 100% deposit). If a deposit is not received, and another request is made for a date, the producing organization holding the date will have two business days to pay for the rental; otherwise, the date will be released. The group challenging the hold will be required to provide an immediate deposit in order to secure the reservation.

EXECUTING AN AGREEMENT

The producing organization will execute the agreement by signing and returning *both* copies of the contract with the appropriate deposit/payment to the Memorial/Lowell Hall Complex. Payment in the form of a check or money order made out to **Harvard University** should be mailed to the attention of the Program Manager. One copy of the contract, signed by a Memorial Hall/Lowell Hall Complex representative, will be sent back to the producing organization.

PRODUCTION AND BOX OFFICE INFORMATION

The Producer will fill out the [Production Details Form](#), forward it to the Production Office, and contact the Harvard Box Office regarding ticketing.

Producers are cautioned not to publicize events or put tickets on sale through any ticket office until the entire reservation procedure has been completed.

No event will take place that has not been paid for in advance. Reserving one facility does not ensure the use of any other part of the building.

A copy of the vendor license must be filed with the Program Manager of the Memorial/Lowell Hall Complex. See the [License Requirements Form](#) for details.

The Producer must provide proof of adequate insurance coverage. See the [Insurance Requirements](#) section below.

Any outstanding charges (i.e. extra hours, piano, damage, etc.) will be deducted from the box office receipts.

SPECIAL NOTE REGARDING REHEARSALS

Memorial Hall/Lowell Hall Complex management offers no guarantee that Sanders Theatre will be available for particular rehearsal periods. Rehearsal requests should be submitted with event date requests. Any delay in scheduling rehearsals lessens the likelihood of Sanders Theatre availability during the necessary/appropriate time periods.

INSURANCE REQUIREMENTS

Producers are responsible for securing all necessary insurance coverage, permits, financing and related sponsorship pertaining to an event prior to scheduled use and filing these with the Memorial Hall/Lowell Hall Complex administrative office.

The contract specifies the types of insurance required. It states the following insurance requirements for users of Sanders Theatre:

- A fully paid policy of public liability and property damage insurance covering the theatre and the time of use, naming Harvard University, Memorial Hall/Lowell Hall Complex and Licensee as insureds.
- Minimum limits of liability of \$1,000,000 for injury or death and \$1,000,000 for property damage.
- The insurance company used must be licensed to do business in Massachusetts and rated A-VIII or better by A.M. Best and Company.

A duplicate original or certificate for each such policy must be delivered to the attention of the Program Manager no later than two weeks prior to the first time of use.

CANCELLATIONS

WITHIN 60 DAYS OF THE EVENT DATE

The Producer will be billed for the balance of the rental fee plus any other costs associated with the reservation.

61+ DAYS BEFORE THE EVENT DATE

One of the following rental fee refund policies will apply:

If the theatre is not booked by another organization for the date in question: 0% refund of the 50% deposit.

If the theatre is booked by an organization in the same rental fee category for the date in question: 90% refund of the 50% deposit.

EMERGENCIES

BUILDING EMERGENCIES The Memorial Hall Director, Program Manager, Building Manager or a representative from the University President's office may make the decision to close the building for safety or other reasons. Every effort will be made to reschedule any event canceled due to an emergency. Patrons who purchased their tickets from the Harvard Box Office will receive refunds at the Harvard Box Office. Patrons who purchased tickets at another venue will be instructed to contact that venue regarding refunds.

WEATHER RELATED The staff of the Memorial Hall/Lowell Hall Complex, under the following circumstances, may cancel Memorial Hall and Sanders Theatre events:

- If it is impossible for all of the necessary Memorial Hall/Lowell Hall Complex staff to be present for the event due to dangerous driving or walking conditions.
- If a local, state or national emergency is declared.
- If the University chooses to close the building or cease activities.
- If the Director, or in his absence the Program Manager, Building Manager, or Production Manager judge it unsafe to open for an event.
- If the Memorial Hall/Lowell Hall Complex representative cancels an event, all rent and associated costs paid to Memorial Hall will either be applied to another date or refunded to the producer.

If an event is canceled by the **producing organization**, all rental, box office and incidental costs associated with the event apply. See the [Cancellation](#) section of the [Reservation Procedures](#) section.

Producers must communicate with Sanders Theatre/Memorial Hall representatives as soon as inclement, dangerous or threatening weather is predicted so that communication efforts can be coordinated for the general public. If cancellation is necessary, the Harvard Box Office will make every effort to announce a rescheduled event date or refund information.

The Producing Organization's decision to cancel a performance must be communicated to the Harvard Box Office Manager by 12 noon on the day of the event.

If an event is cancelled by the producer, all handling fees will be refunded to patrons along with the ticket price, and those refunded fees will be billed to the producer. Additional fees may be charged. *See Box Office section, page 26, for more details.*

ACCESSIBILITY INFORMATION

WHEELCHAIR ACCESS

Memorial Hall is wheelchair accessible. There are ramped entrances by both the Cambridge Street and Kirkland Street entries to the Transept and an elevator on the Cambridge Street side of the building.

Wheelchair accessible seating is available through the Harvard Box Office by telephone at 617.496.2222 or in person at the Box Office window. The orchestra section of Sanders Theatre is wheelchair accessible. The mezzanine and balcony sections are **not** wheelchair accessible.

All restrooms are wheelchair accessible via elevator.

ASSISTIVE LISTENING DEVICES

Sanders Theatre is equipped with Assistive Listening Devices, available one-half hour before performance time. Inquire at the on-site Box Office window.

TTY LINE

The Harvard Box Office TTY line for hearing impaired patrons is 617.495.1642.

PARKING FOR DISABLED PATRONS

For information about parking for disabled patrons, call the University Disability Coordinator at 617.495.1859, or TTY 617.495.4801, Monday through Friday, 9AM-5PM. Please call at least one week prior to the event.

The following symbols should be used in promotional materials for Sanders Theatre events:

II: PRODUCTION & TECHNICAL INFORMATION

PRODUCTION GENERAL INFORMATION

PRODUCTION DETAILS FORM

The Sanders Theatre [Production Details Form](#) must be submitted to the Production office four weeks before the event date. The [Production Details Form](#) communicates event needs, critical date and time information, and indicates contacts for technical personnel. A meeting with the Production Manager or a Production Associate may be needed for technical staff orientation or to discuss particularly detailed events or set-ups. Call the Production Office for specific questions and/or to arrange a meeting.

The [Production Details Form](#) is available on-line at:
<http://www.fas.harvard.edu/~memhall/usage.html>

ARRIVAL AND DEPARTURE TIMES

All arrival and departure times must be coordinated with the Program Manager and Production Manager or Production Associates. Early arrivals will not be accommodated unless prior arrangements have been made. Occupancy in excess of the agreed upon time will result in additional rental charges. Be sure to include time for lighting, audio, and/or video equipment set up and strike when arranging rental periods.

THE SANDERS THEATRE PRODUCTION TEAM WILL:

- Act as consultant to producer's technical staff, orienting them to facility use
- Provide access to music stands, chairs, tables and other facility owned equipment
- Move the Sanders Theatre piano
- Operate the wheelchair lift as needed

THE PRODUCING ORGANIZATION WILL:

- Provide a stage manager/stage hand to be responsible for stage changes and getting performers on and off stage.
- Perform set changes
- Cue performers on and off stage
- Operate the lighting system

PARKING

There is no parking at Sanders Theatre. Parking is not permitted in the circular drive at any time. Contact the Production Office for arrangements regarding parking for producers, technical staff and performers. See [Directions](#) for information on public transportation and parking for event patrons.

FACILITY INFORMATION

GENERAL POLICIES

Please note the following items and practices are NOT permitted in Memorial Hall:

- open flame or pyrotechnics
- helium balloons
- animals
- smoking
- storage or use of bicycles, rollerblades, skateboards or other transport
- removal or alteration of furnishings
- affixing items to building structure or furnishings

SANDERS THEATRE PROHIBITED ACTIVITY

Sanders Theatre staff will enforce the following policies:

- no food and beverages
- no sitting on stairs
- no standing in aisles or rear of house
- no blocking of stairs, aisles or exits for any reason
- no photography and audio/video recording unless arrangements have been made in writing

STAGE

For specific dimension information, please refer to the [Stage Diagram](#) provided with this guide, or online:

<http://www.fas.harvard.edu/~memhall/usage.html>

STAGING, HANGINGS

All staging, hangings, and set ups must be approved by the Production Manager.

ELECTRICAL SPECIFICATIONS

Sanders Theatre has ten 100 amp/three phase cam-lock panels in these locations:

- backstage right and left
- choir loft above the stage: house right and left
- balcony: house right, left, and center
- lighting gallery: house right, left, and center

The stage has 32 pairs of 115 volt, 20 amp outlets on 5 separate circuits. The Theatre has numerous 115 volt 20 amp outlets on all levels.

FLOOR CARE

The installation or use of any hardware, equipment or device (including dance shoes) which may damage the stage floor is strictly prohibited. Producers whose activity could damage the floor may use the space if

proper protective floor material is used with permission from the Production staff.

All equipment used on the floor, including musical instruments, must have rubber tips to prevent scratching.

SANDERS THEATRE EQUIPMENT

The Production staff will work with the Producer's stage manager to install the initial set up of music stands, chairs, tables and other stage equipment based on information received on the [Production Details Form](#). The production staff will not assume responsibility for the set up or moving of equipment that is not the property of Sanders Theatre.

PIANO

Use of the Sanders Theatre piano (Steinway D Concert Grand) must be requested one month in advance. A fee for use applies. Requests made later than one month prior will incur an additional tuning fee.

Piano tuning is arranged by the Production staff and performed by the Harvard University Piano Technical Services. The pitch of the instrument will be between A 440-442 Hz. In the event that a different pitch is requested, a fee in addition to the normal cost will be charged.

The Production staff will set and move the piano as requested by the Producer. If the [Production Details Form](#) does not indicate a need for the piano, the piano will be stored off stage.

PIANO LIFT

The piano lift in Sanders Theatre is operated by the Sanders Theatre Production staff for the movement of piano and equipment only. It may not be used to move performers, scenery or for any other theatrical effect.

Use of the piano lift is not permitted during an event or at intermission. Memorial Hall cannot take responsibility for an event that is disrupted by a malfunction of the piano lift.

EQUIPMENT DELIVERY AND STORAGE

All producer equipment must be removed at the end of each event. Equipment deliveries and pick-ups must be coordinated with the Sanders Theatre production staff. Unexpected deliveries/pick ups may not be accommodated.

There is no long-term storage at Sanders Theatre. Short-term storage may be available and requires discussion and coordination with the Production Manager. Always assume there is no storage available unless informed otherwise. Storage is not permitted in the transept before, during or after an event.

Harvard University and Memorial Hall are not responsible for any damage to or loss of any property that is stored in the facility.

EQUIPMENT AND SEATING

Lighting and sound equipment should not obstruct the view of the event patrons. The Producer must take full responsibility for responding to complaints and providing refunds for those patrons whose view is

obstructed by any equipment.

If it is known that obstructed view seats will be created by equipment, the Harvard Box Office shall be notified before the seats are put on sale so that these seats can be pulled from sale or sold as "partial view". Please refer to the [Harvard Box Office](#) Information for more details.

DRESSING ROOMS

The Green Room (Memorial Hall room 038) with two adjacent dressing rooms with private toilets is included with the event day rental. If available, and needed, up to three additional seminar rooms will be reserved as support space. All rooms are equipped with audio monitors enabling performers to hear activity in the Theatre. Room 038 is wired for video. A video monitor is available upon request.

Keys for the Green Room and the seminar rooms will be given to the Producer's representative in order to secure belongings. Memorial Hall and Harvard University are not responsible for lost or stolen property. Producers are responsible for lost or missing keys and will be invoiced for costs to replace locks if keys are not returned.

At the Producer's request and expense, a Harvard University police officer or security guard may be scheduled for dressing room security.

There are no showers at Sanders Theatre.

VIDEO & AUDIO PRESENTATION, RECORDING AND BROADCASTING

EQUIPMENT LOCATIONS

In the interest of public safety, and in compliance with safety and fire codes, please note:

- It is not permissible to set up any video equipment in any aisle way in Sanders Theatre.
- All video camera operators or producers in charge of a shoot must obtain tickets for seats in which they can put tripods, cameras and related equipment. If no tickets are available, no video shoot will be allowed.
- If any video equipment and/or operators interfere with the audience's enjoyment of an event, the offending equipment and/or operator will be required to leave the Theatre. This policy does not apply to seats sold as or identified with signs indicating an "obstructed view."
- Camera locations and press seats must be arranged with the Harvard Box Office in advance. Any seats obstructed by camera locations must be accounted for.

FILM/VIDEO PROJECTION

Film or video projection vendors and equipment must be approved by the Production Manager before agreements are finalized. Projection equipment must not block any aisle ways or egresses.

PRESS TAPING

Anyone taping for a news broadcast must first contact the Harvard Public Affairs and Communications Office, 617.495.1585, before the event. All such taping will be limited to the first 15 minutes of the event, after which time all press personnel and equipment must leave the Theatre.

AUDIO/VIDEO RECORDING AUTHORIZATION

A [Recording Authorization Form](#) and fee must be returned to the Administrative office prior to the recording of an event. This form is available at the end of this guide, via fax from the Administrative office, or on-line at <http://www.fas.harvard.edu/~memhall/recordnast.pdf>. Recording authorization does not constitute a license to broadcast.

It is imperative that anyone planning a video shoot in Sanders Theatre contact the Production Manager in advance. On the day of the event, the Production staff on duty will make the final decision granting permission to record.

The Memorial Hall/Lowell Hall Complex staff and management reserve the right to decline authorization to record at any time.

VIDEO/AUDIO RECORDING/INTERNET BROADCAST AUTHORIZATION

An [Application for License to Broadcast](#) must be completed one month prior to an intended broadcast. Permission is not guaranteed. Depending on the nature and frequency of the broadcast, fees may apply.

AUDIO/VISUAL SPECIFICATIONS

AUDIO SYSTEM

Sanders Theatre is equipped with a sound reinforcement system, designed to be as flexible and user friendly as possible while meeting the requirements of several different types of events. It can be operated independently or in conjunction with an adjunct system. It has installed processing, EQ, and delays that are set for a typical lecture scenario.

All events requiring audio reinforcement must employ a professional audio services provider. Sanders Theatre Staff will not provide equipment nor operate sound. A list of recommended vendors can be found in the Vendor Referral List.

All sound system settings are fixed and cannot be adjusted. Please contact the Production Office for further information.

AUDIO SYSTEM COMPONENTS

Center house cluster including the following:

- Four Meyer UPA 2 powered loudspeakers
- Two Meyer UPA 1 powered loudspeakers
- Soundweb 9088MM Processor for the center cluster

The central cluster and its Soundweb processor can be used independent of the other components. The cluster is divided into upper and lower halves that can be mixed separately.

One under balcony speaker system and one over balcony speaker system, both driven by a series of Crest CA900 amplifiers.

Multipin connector runs providing 32 channels of audio between the stage and the front-of-house mix position:

- 16 channels between the stage and the rear of house mix position
- 16 channels between the stage and the system patch bay
- Two sets of 16 channel snake boxes and tails (wired for send only)

Microphones:

- several installed XLR microphone runs; system patch bay allowing for custom microphone run configuration

**RECORDING
COMPONENTS**

The recording booth is located above the stage with view of the stage by closed circuit television camera.

- Eight input tie line for microphones; connects from loft rail above stage to recording booth
- Adjustable aircraft wire microphone suspension system

VISUALS

In-house projection equipment is owned and operated exclusively by Harvard Media & Technology Services (MTS): 617.495.9460. Contact them directly for information regarding specifications and terms of use.

Sanders Theatre is equipped with a remotely operated Stewart Film screen Model B with ultra matte 130 projection, suspended above the stage. Producers may use this screen independent of Harvard Media and Technology Services. Image size: 12'h x 24'w

Projection distance from screen to A/V counter (at the back of Mezzanine Section D): 70 feet

VIDEO

Video patch system (BNC-type connectors) tie-ins are located throughout the house. Patch system connects to central patch bay in basement.

**EXTERIOR PATCH
PANEL**

Panel located on the outside of building, north side, has provisions for audio and video patches from production truck/trailer into house systems.

**PRODUCTION
COMMUNICATION
SYSTEM**

- Five ClearCom RS-501/CC-85 units with cables
- Patch in receptacles at 18 positions
- ClearCom system operates on channels A and B, separately or combined

**ASSISTIVE LISTENING
SYSTEM**

Sennheiser infrared transmission system includes

- 48 HD 1407 headset receivers
- 24 RI100-J loops

The system will transmit audio signals sent through the in-house system.

Audio engineers using an independent sound system **must** supply a signal to the in-house audio system in order to provide infrared transmission.

LIGHTING SYSTEMS

GENERAL DESCRIPTION

The Production staff can provide names of approved lighting designers or technicians who may be hired, at the producer's expense, to assist with and supervise the set up and operation of the theatrical lighting system. See the [Vendor Referral List](#) for currently approved lighting vendors. Vendors not on this list must be reviewed and approved by the Production Manager and provide the required insurance documentation.

All lighting is controlled via one ETC brand Sensor 24 installation dimmer rack containing 48 D20 2.4 kW dimmers that can be controlled via DMX 512 input or via the theatre's Unison architectural control system.

- Twenty-seven of the 48 dimmers are dedicated to controlling the architectural fixtures in the theatre and are not available for use.
- The remaining 21 dimmers are used for theatrical lighting purposes via the theatre's distribution system.

Sanders Theatre uses 2P&G connectors. Several ETC Source 4 ellipsoidal and pars are available, hung in a fixed focus designed for classical music concerts and lectures. The instruments cannot be moved or refocused. They may be gelled, or disconnected to allow use of the circuit for some other instrument.

Sanders Theatre does not own a lighting control console.

DIMMING AND DISTRIBUTION

The dimmer rack is located in the tower above the theatre. Twenty-one dimmers are available through the distribution system for use with a one-to-one dimmer/circuit configuration. Dimmers start at DMX address 201 to facilitate shorter load in periods for events that will use additional dimmer racks in conjunction with the installed equipment.

Sanders Theatre is also equipped with ten 100A 3 phase 12/208 VAC Cam-Lok panels to provide power to additional equipment. The panels are located stage left and stage right upstage, in the choir loft, three in the balcony, and three in the lighting gallery. The panels in the balcony and gallery are distributed house left, center, and right.

The panels have reversed neutrals and may require "turn arounds."

The center Cam-Lok panel in the balcony has three 20 circuit breakers feeding duplex U-ground receptacles. The Cams and breakers are all fed from the same 100A supply.

The theatre's distribution system is equipped with 2P&G (stage pin) connectors. The distribution system contains the following circuits:

Circuits	Location
28-44	Distributed throughout the Lighting Gallery
45-48	Choir Loft

CONTROL

The theatre is equipped with installed DMX control lines to control the installed rack and any additional racks. A lighting control device can be plugged in stage right upstage, at the rear of the orchestra, and at the rear of the mezzanine center house at the Audio Visual desk. The theatre is equipped with DMX out connections at each of the aforementioned Cam-Lok panels. The DMX signal is optically split in the Dimmer Room.

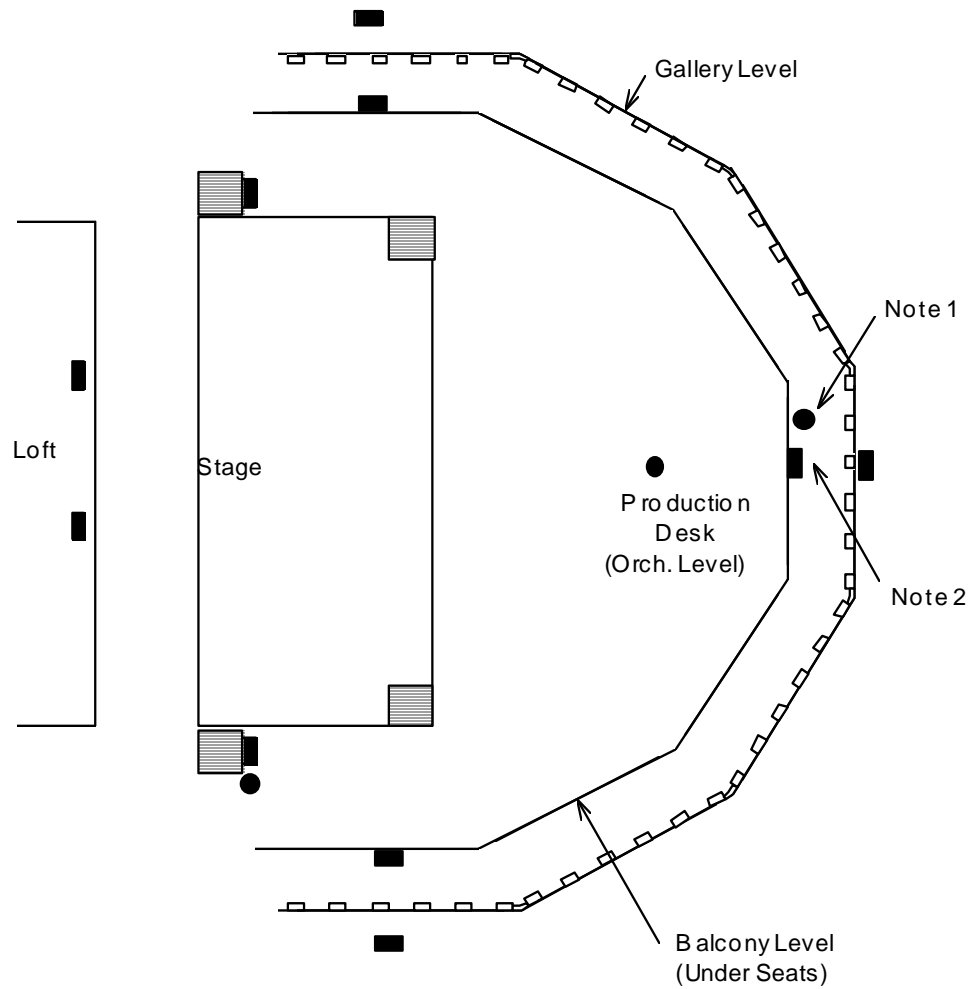

The theatre's lighting system can also be controlled via ETC's Unison system. The system is an architectural control system that has the ability to control groups of dimmers (zones) and take "snapshots" of different lighting looks to be used later on. The system can be controlled via proprietary controllers that can be plugged in stage right upstage, at the rear of the orchestra, and at the rear of the mezzanine center house at the Audio Visual desk. Contact the Production staff for more information and training on the Unison system.

FIXTURES

Sanders Theatre is equipped with the following instruments:

Instruments	Quantity

HOUSE MANAGEMENT

The Producing Organization and the Memorial Hall/Lowell Hall Complex staff share in the management of events at Sanders Theatre. House Management is the coordination of front of house activities on the day of an event. At Sanders Theatre, house management responsibilities fall under the guidance of the production staff.

MEMORIAL HALL PRODUCTION STAFF

A Memorial Hall Production Office representative will act as Theatre/House Manager on the day of the event. The Theatre/House Manager oversees the house staff, facilitates communication with the Producing organization, enforces facility safety and operating policies, and also acts as the building manager/technical consultant.

Two hours prior to the event start time, the Theatre/House Manager assembles the house staff and prepares the theatre for opening. During the performance, the Theatre/House Manager responds to patron issues regarding seating, building concerns and safety. The Theatre/House Manager will work with the Harvard Box Office staff and the Producer to coordinate late seating and resolve ticketing issues and patron complaints.

Sanders Theatre rentals include a full complement of ushers. Ushers take tickets, distribute programs, direct patrons to their seats, resolve seating issues and enforce building policies. Sanders Theatre ushers work under the supervision of the Theatre/House Manager.

PRODUCER

The Producer will designate an individual to act as the representative of the Producing organization regarding house management issues. This person will be the “point person” for the front-of-house staff, acting as the direct contact to the Theatre/House Manager. The Producer may contact the Production Manager in advance to discuss the specifics of this role. By default, it will be expected that the “point person” will act as the representative of the Producing organization.

Note: the Producing organization’s “point person” must be separate from the Producer’s Stage Manager, who will presumably have duties on or back stage that are likely to conflict with audience management issues that may arise.

EVENT TIME LINE

The Production Manager, Theatre/House Manager, Producer and Stage Manager should follow the procedures outlined below. Changes to this procedure must be discussed in advance.

PRIOR TO THE EVENT DATE

The Producer representative submits the [Production Details Form](#) four weeks before the event. The Production Manager and Producer representative will speak over the phone or meet to confirm arrival/ departure times, event specifics, and arrange times for deliveries.

DAY OF THE EVENT

- The Theatre/House Manager and Producer representative check in at the designated arrival time. The Producer's representative will be given a two-way radio for use during the rental period.
- Pre-event tech schedule is confirmed.
- House open time, light cues and intermission length are determined.
- Late seating procedure is established.
- Transept set up is completed.
- Program booklets/inserts are delivered.
- Ushers arrive; program booklets are stuffed, if necessary, and delivered to the theatre entrances.
- The house opens. Patrons are seated.
- The Safety Announcement is made; the event begins.

DURING THE EVENT

- Ushers handle late seating according to the established procedure.
- The ushers handle most patron issues. The Theatre/House Manager and Producer representative are available to respond to patron, event and facility concerns as they arise.
- The Stage Manager performs stage changes as needed.
- During intermission, the ushers assist patrons and prevent food and drink from entering the theatre. The Theatre/House Manager and the Stage Manager determine intermission end. Patrons are informed by flashing lights and a call chime.

POST EVENT

- The Producer's representative oversees removal of transept displays and materials. The Theatre/House Manager and Producer's representative walk through stage, house and dressing rooms for damage, cleanliness, and belongings left behind.
- The Producer's representative communicates with hired technical staff. Time out status is determined. Changes are relayed to the Theatre/House Manager. Overtime will be charged if the event or load-out activities extend beyond the scheduled time out.
- Final time out is determined; late charges, if any, are deducted from box office receipts.

EVENT POLICIES

PROGRAMS & INSERTS	Program booklets and inserts must be delivered to the production office at minimum two hours prior to the performance start time. Ushers will stuff one insert into event programs. Additional inserts can be stuffed for an additional charge of \$50 per insert.
REQUIRED PROGRAM INFORMATION	<p>Producers who print the Sanders Theatre Emergency Exit Plan in their programs will receive a \$50 credit toward outstanding rent or fees.</p> <p>The Sanders Theatre Emergency Exit Plan is available on p. 34, as well as in PDF and other formats upon request. Boiler plate information regarding the venue, lost and found, etc., is supplied but not required.</p>
SAFETY ANNOUNCEMENT	The Theatre/House Manager will arrange to have a short announcement made at the start of the event requesting that audience members refrain from photography, turn off cell phones and pagers, and acknowledge the nearest emergency exit. If a member of the Producing organization has agreed to make this announcement, a script will be supplied.
LATE SEATING POLICIES	Producers must work with the Theatre/House Manager to determine a late seating policy for each event. Since late seating is challenging, it is advisable that an ample break for late seating be planned at an appropriate interval. The Producer's representative must be on hand to clarify late seating policy for patrons.
SEATING CHALLENGES	Producers are advised to retain house seats to accommodate VIPs or unforeseen ticketing issues. See Harvard Box Office information for ticketing/seating details.
DISPLAY & DISTRIBUTION	<p>Tables and chairs will be set up in the transept according to instructions on the Production Details Form.</p> <p>Displays may be erected on freestanding easels, music stands or tabletops only. Adhering objects to walls, doors, windows or seats is prohibited. All displays may be set up two hours before the event and removed immediately after. Questions about transept or theatre display should be directed to the Production Manager.</p> <p>No posters, banners or other similar materials may be posted anywhere in, on or around Memorial Hall. Permission to post in designated locations must be obtained from the Harvard Box Office. Distribution of information for upcoming events will not be permitted without the prior consent of both the Director and the Producer renting the Hall.</p>
CONCESSIONS	<p>The Production staff will arrange for concessions for all events with an intermission. Please inform the Production staff as soon as possible if intermission information changes from that provided on the Production Details Form. There may be a fee for late changes.</p> <p>Last minute cancellations (less than three days notice) of planned intermissions, and subsequent canceling of concession services, will be subject to a fee of \$200.</p>

VENDOR'S LICENSE

The sale of goods, including t-shirts, souvenirs, etc., requires a vendor's license from the City of Cambridge License Commission. One license must be purchased for each calendar day goods will be sold. A license is not required for the sale of tickets, nor for the sale of books, CDs or other printed and recorded materials. A copy of the [Vendor's License](#) form with step-by-step instructions is available with this guide and on the web at <http://www.fas.harvard.edu/memhall/vendorreq.html>.

RECEPTIONS

Small, private receptions may be held in the classrooms that are reserved as support space related to an event. With permission and advance planning, larger events may be accommodated in the Memorial Hall Transept. There are several issues to consider when thinking about using this space: weather (the space is challenging to heat in the winter), lack of kitchen facilities, capacity limitations, access issues, among others. It may be necessary to hire additional security or a police detail, an expense that would be billed directly to the producing organization.

Note that Sanders Theatre is not available for receptions.

CATERING

The preferred vendor for Memorial Hall is Crimson Catering. See the [Vendor Referral](#) list for contact information. Speak to the Production staff to request permission to use other catering vendors.

For events where alcohol will be served, Harvard's Crimson Catering must be secured to perform bartender service. If Crimson Catering is not available, alcohol may not be served.

ALCOHOL LICENSE

In coordination with Crimson Catering, an Alcohol License is needed from the City of Cambridge License Commission. A copy of the [Alcohol License](#) form with step-by-step instructions is available on-line at <http://www.fas.harvard.edu/memhall/usage.html>.

LOST AND FOUND

Any items found in the theatre, restrooms or dressing rooms are returned to the Administrative Office. Lost and found inquiries should be directed to the Administrative Office, either in person or via phone during regular business hours. Please note that items are donated to charity after one month.

Harvard University and Memorial Hall/Lowell Hall Complex management are not responsible for personal property of patrons and performers.

III: THE HARVARD BOX OFFICE

Producing organizations renting Sanders Theatre are required to use the Harvard Box Office, a full service box office providing advance sales for walk-up, web sales, and phone sales, as well as pre-performance sales. Producers must allocate a minimum of 10% of the available seating capacity of Sanders Theatre for sale through the Harvard Box Office.

PROCEDURES FOR PUTTING AN EVENT ON SALE

STEP 1: CONTACT THE BOX OFFICE MANAGER	<p>The Ticket Manager for the Producing organization should contact the Harvard Box Office Manager no later than six weeks prior to each event. Only one designated representative will be given ticket information.</p> <p>The Harvard Box Office Manager will confirm with the Memorial Hall Program Manager that a deposit has been received for the date. Tickets will not go on sale without the consent of the Program Manager.</p> <p>Please be aware that the Harvard Box Office sells tickets over the telephone via a major credit card. A per ticket service fee is charged to the patron for telephone sales. There is no service charge for walk-up sales. Additional fees apply for web sales.</p>
SPECIAL NOTE	<p>Producers must allocate a minimum of 10% of the available seating capacity of Sanders Theatre for sale through the Harvard Box Office. The box office can assist in this process and provide an "Allocation Form" for communicating reserved seating locations.</p>
STEP 2: PRICE THE HOUSE, DETERMINE "HOLDS", & ALLOCATE TICKETS FOR SALE	<p>Producers are strongly encouraged to arrange a site visit in order to determine how to price/market/sell the seats in Sanders Theatre. A limited number of pricing configurations is available. See the Obstructed and Partial View Seating section for recommendations.</p> <p>Returning organizations will use pricing configurations currently on file. The Box Office Manager must approve new configurations.</p> <p>The Harvard Box Office will hold six orchestra seats (Row: T Seats: 1-6) for the House Manager's use in resolving last minute seating problems. These "trouble seats" are not included in the 1000 seat capacity of the house and will not be available for sale.</p> <p>Producers are advised to retain their own house seats to accommodate important guests or other last minute ticketing issues.</p> <p>The Harvard Box Office will hold locations for wheelchairs and one companion seat, according to the seating chart.</p> <p>We strongly encourage producers to select one of several "comfort seating" options, removing selected seats from sale to ease crowded seating and enhance patron comfort.</p> <p>The Harvard Box Office must be notified of any equipment, including sound, lights and video that will affect sight lines or seating capacity before tickets go on sale. Producers are urged to remove from sale any seats affected by any equipment.</p>

**STEP 3:
PROMOTE YOUR
EVENT**

Producers should provide the Harvard Box Office with program information, press releases and promotional brochures as soon as possible.

The Harvard Box Office name, numbers 617.496.2222, and hours of operation must appear prominently in all advertising by the Producer, including web pages and single ticket sales brochures. The size and prominence of the telephone number must be equal to or greater than all other information regarding ticketing.

If the Producing organization has a web site, we recommend linking to the Harvard Box Office web site: **www.boxoffice.harvard.edu**. The Harvard Box Office can also create a link from the on-line Calendar of Events to the Producing organization's web site.

**STEP 4:
FINAL STEPS – THE
DAY OF THE EVENT**

Any consignment tickets returned to the Harvard Box Office by the Producer must be turned over to the Harvard Box Office by the close of business the day prior to the event if they are expected to be put on sale at the Theatre.

If the Producer prints tickets, please be sure these locations are indicated on the Ticket Allocation Form to avoid double-sold seats. The Producer must give the Harvard Box Office Manager a reconciliation of the number of tickets sold and distributed through other venues. This information is used to calculate the Restoration Fee.

Producers must notify the box office in advance if they will be offering tickets for sale through another ticket outlet or internet provider. Prior to the event, producer must provide a complete patron list including seat locations (for reserved seating), and a sample ticket, for any tickets sold outside of the Harvard Box Office.

The Ticket Manager must check in with the on-duty Harvard Box Office Associate at Sanders Theatre at least two hours prior to curtain time and remain reachable during pre-show.

The Harvard Box Office prohibits the sale of tickets on the premises by any organization other than the Harvard Box Office, including the Producer.

Latecomers will be seated at the discretion of the management. Please see the [House Management](#) section for further discussion of late seating procedure.

“Print at Home Ticket Technology” is prohibited at Sanders Theatre. Tickets sold by a ticket outlet and printed by patrons will NOT be honored for Sanders Theatre events.

BOX OFFICE PAYMENT TO PRODUCERS

If money is owed to the Memorial Hall/Lowell Hall Complex for any reason, the Box Office will deduct that amount from the ticket revenue on the box office statement and apply it to the amount owed to the producer. Once the performance is reconciled, a check will be issued within five business days of the event and mailed to the producing organization.

GENERAL/FREE ADMISSION

Producers are to issue no more than 1000 tickets for general admission for “free” events in Sanders Theatre, including seating required for performers, staff, press, and/or complimentary tickets.

The public will be admitted through specific entrances of the Theatre (as designated by the Production Manager) prior to the event, with large crowds detained in the lobby or outside when necessary. Sitting in the aisles or standing in Sanders Theatre egress paths will not be permitted.

No ticket holders will be allowed to enter Sanders Theatre once the Production Manager has determined that all seats are taken. Producing organizations should be prepared to issue refunds to patrons without seats.

More details regarding free events will be determined based on event specifics. Harvard Box Office Management must review/approve all distribution time frames and plans.

PERFORMANCE CANCELLATION OR RESCHEDULING

The Producer’s decision to cancel a performance must be communicated to the Harvard Box Office Manager prior to 12pm, on the day of the event. This will enable Box Office staff to provide complete and consistent information to the public when opening at noon.

The Producer will provide exact language to explain the reason for the cancellation. The Box Office will make every attempt to contact patrons to inform them of the cancellation. These efforts include post the information on the Box Office website and voice calendars, responding to customer inquiries by telephone and email, and contacting patrons through email blast or by telephone.

The Producer will determine which of the options below apply to the cancelled event and notify the Box Office Manager when announcing the cancellation:

- a) Performance cancelled: All patrons to be refunded (allow up to 14 days to process)
- b) Performance cancelled/rescheduled with original tickets honored on the rescheduled date; refunds issued to patrons who are unable to attend new date
- c) Multi-performance run: Patrons may exchange into a future performance, allowing a minimum of 24 hours to process these requests
- d) Patrons wishing to donate tickets will send original tickets to the producer for donation receipt. If tickets have been held for pickup, the Box Office will mail tickets to the patron for donation processing.

NOTE: If an event is cancelled by the Producer, all handling fees will be refunded to the patrons. The total amount of refunded fees will be billed to the Producer or deducted from payments due to the Producer. Additional box office fees may be charged to cover the cost of contacting patrons and processing refunds.

OBSTRUCTED & PARTIAL VIEW SEATING

There are seats in Sanders Theatre which have consistently garnered complaints. Patrons should always be counseled on the less than full view of the stage. In order to use a standard phrase when describing these seats, we have created the following definitions. We advise all ticketing outlets handling these seats to use these same descriptions.

The obstructed and partial view seats affect every type of performance differently. This list represents our recommendations. The producing organization should contact The Harvard Box Office to discuss how these seats may affect each individual performance. Our goal is to reduce the number of disgruntled/uninformed patrons.

OBSTRUCTED VIEW SEATS

These seats have difficult to impossible sight lines.

RECOMMENDED COMFORT SEATING OPTIONS

The Box Office Requirements Form lists three options for Comfort Seating, which we strongly recommend based on an analysis conducted in 2013 investigating the "sit room" on each bench. This study identified a few location that are consistently problematic, with less than 16 inches per patron on the bench. Therefore, we recommend removing 12 specific seats from these areas at minimum. Below are the details for the three Comfort Seating options:

OPTION 1 Adjusted Capacity: 1153 (12 seats held)

**CRITICAL NEED/
MINIMAL LOSS OF
SEATS**

(rows that continue to be a problem and provide less seating per location)

Seats held:

Orchestra

Row C 8 & 11, Row D 8 & 11, Row G 6

Mezzanine

Section B Row F 5, Section C Row F 13, Section C Row C 10,
Section D Row F 14, Section E Row F 13, Section E Row C 10,
Section F Row F 5

OPTION 2 Adjusted Capacity: 1101 (64 seats held)

**ORCHESTRA AND
MEZZANINE SECTIONS
ONLY**

Seats held:

Orchestra

Row A 9 & 12, Row B 9 & 12, Row C 8 & 11, Row D 8 & 11, Row E 13,
Row F 14, Row G 6

VENDORS

REQUIRED VENDOR INSURANCE

In addition to the [Insurance Requirements](#) for Producers (see page 5), Harvard University requires that all vendors working on University property have the following coverage. It is the responsibility of the Producer to make sure that the vendors they subcontract meet these requirements.

GENERAL LIABILITY

- Per Occurrence \$1,000,000
- Per Aggregate \$2,000,000

AUTOMOBILE LIABILITY

- Per Person \$ 250,000
- Per Occurrence \$ 500,000
- Property Damage \$ 250,000
- Or a combined limit of \$1,000,000

WORKERS' COMPENSATION

Required by state law, Workers' Compensation Coverage is required for any contractor or service vendor with one or more employees. If the business is only the owner, then a copy of that health insurance policy will suffice.

SANDERS THEATRE APPROVED VENDORS

The following vendors have a history of working in Memorial Hall/Lowell Hall Complex. Memorial Hall/Harvard University assumes no liability for the quality of work provided. Producers enlisting the services of these vendors do so at their own risk.

DIRECTIONS

PUBLIC TRANSPORTATION

The management of Memorial Hall/Lowell Hall Complex, in keeping with state and local efforts to reduce traffic congestion, urges producing organizations to emphasize the need to use public transportation when attending events at Sanders Theatre. The Harvard Square stop on the Red Line of the MBTA subway system is a five-minute walk from Memorial Hall and is well lit.

FROM THE NORTH

From Alewife MBTA station, take the Red Line to **Harvard**.

FROM THE SOUTH

From Braintree MBTA station, take the Red Line in the direction of Alewife to **Harvard**. Allow about 45 minutes for the trip.

FROM THE WEST

From Riverside MBTA station in Newton, take Green Line to the **Park Street** stop. Follow signs marked **Red Line to Alewife**. Take train four stops to **Harvard**. Allow one hour for the trip.

FROM THE HARVARD MBTA STOP

At the **Harvard** stop, exit via Harvard Yard/Johnston Gate. Walk through Johnston Gate and travel northwest through the yard. When you come out of Harvard Yard, the Science Center will be directly in front of you. Memorial Hall is to your right. Sanders Theatre is within Memorial Hall.

FROM THE AIRPORT

From Terminal E take the Silver line SI 1 to South Station. Take the Red Line in the direction of Alewife to "Harvard". Allow approximately 50 minutes for the subway portion of the trip.
