Fall Term 2017  14-week term: August 28 – December 2, 2017

Date  Friday, November 10, 10:00 am – 4:00pm

Description  Bai Ming is today an acknowledged artist whose activity as plastics technician and teacher contributes in renewing and revitalizing deeply the Chinese contemporary creation in the field of ceramics. He mixes traditional techniques and ancestral typologies to the most modern plastic expressions. In the pictorial field, he uses oil painting as well as ink, in an eclectic style which alternates geometrical compositions and gestural practices. This demonstration coincides with Bai Ming’s visit to the Boston area for his solo exhibition at the Lacoste Gallery in Concord, MA.
