Registration System Primer

<https://ofadap.fas.harvard.edu>

This primer details the features of the new registration system designed for Harvard's Office of the Arts Ceramics Program and Dance Program. Our system connects directly to HarvardKey, creating a secure and convenient means for students, faculty, staff, alumni, and designated affiliates to enroll in community classes, workshops, artist talks, and events.

This site is primarily for registration and enrollment purposes. It also serves as the home for the applicable Zoom links for those electing virtual or combination participation in our community classes. For comprehensive information about our classes, teaching artists, and/or programs, we encourage you to visit the [OFA Dance Program webpage](#).

The screenshot shows the 'Office for the Arts at Harvard' registration site. The header includes navigation links: Register, Profile, My Enrollments, My Teaching, and Administration. The main content area is titled 'Welcome to the Registration Site' and is intended for the Ceramics Program and Harvard Dance Center. It features two main sections: 'Ceramics Program' and 'Harvard Dance Center'. Each section contains a grid of images related to the respective program. Below each grid is a small text box with contact information for further inquiries.

All Other Users

After selecting enrollment type – with drop-in date if applicable – and location offered, click the **Add To Cart** button in the bottom right-hand corner. You will be redirected to the class/event offerings page. A number should appear by the Cart icon to indicate the number of items you have selected.

 Once a single item has been added to the cart, the system implements a 15-minute timer. You must check-out within this time to confirm your purchase and enrollment.

When you are ready to check-out, click the Cart Icon in the upper right corner. ↓

SHOPPING CART/CHECKOUT

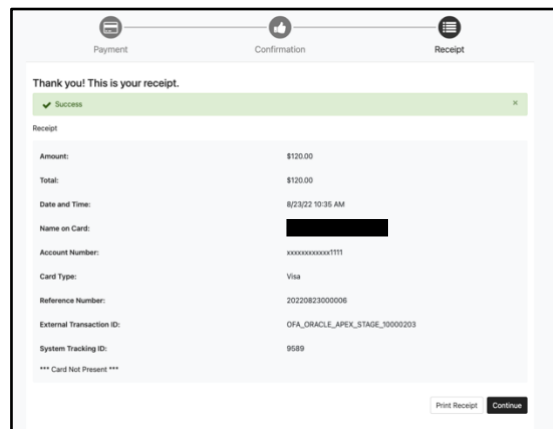

Each item in the cart will display along with a purchase summary on the right-hand side.

- Harvard Dance Center’s **25% Multi-Class Discount** is automatically applied if you select more than one full-series class. The system displays the item’s original cost, the applied discount, and the total price due.
 - Please note: Multi-Class Discounts do not apply to TAP benefits or drop-ins.
- **TAP-Eligible Harvard employees** may elect to apply their TAP benefit by the “Choose Tap Option” pulldown menu. This action will automatically adjust the class price to \$40.00.
 - Please visit [Tuition Program \(TAP/TRP\) Self Service](#) to download the required TAP form for tuition assistance. Completed and signed forms should be emailed to the Dance Office at dance@fas.harvard.edu to accompany your enrollment.
 - Long-service TAP beneficiaries should contact the Dance Office at dance@fas.harvard.edu to enroll in a class using this additional benefit.
 - Questions about TAP eligibility? Visit [Harvard HR Benefits](#).
- Individual class or events may be deleted from the cart by clicking on the trash can icon.
- Click the Continue Shopping icon in the upper left-hand corner if desired.

Click the **Checkout** button to submit payment and confirm your enrollment. In the pop-up window, confirm or cancel to proceed.

Users are **automatically redirected to a TouchNet website to complete payment information**. Billing information is pulled from the user’s profile, but state and country must be re-entered in the applicable fields. Clicking Continue in the bottom right-hand corner will advance the purchase to a final confirmation screen; clicking cancel will empty the cart and return the user to the OFA Registration site log-in. TouchNet will generate a receipt of purchase, which will be emailed to the user in addition to the option to print screen if desired.

CHANGING CLASSES

Users may elect to swap from one class to another *provided that the class participation (“location offered”) remains the same* – for example, switching an in-person registration from Hip Hop Mondays to in-person registration for Soca Fusion Thursdays – by clicking the **Swap Class** button.

A pop-up window will appear allowing users to select the preferred class from the pulldown menu. Click **Swap Class** to complete the transaction.

To switch a class participation (i.e. from in-person to combination or combination to virtual), users must first Request to Drop then re-enroll in the class with the revised “location” preference. Dance Staff will follow the refund policy from the Request to Drop process to manage any related payments for the original class. Please note that refunds may take 2-3 business days to be processed by the credit card company.

DROPPED CLASSES/EVENTS

Users will also be able to see any classes from which they have elected to withdraw on the My Enrollments page. Any applicable refund will be recorded in the final two columns of the display, including the dollar amount and the date on which the refund was processed by Dance Staff.
